

26th March 2021

ASSESSMENT TIMETABLE 12th APRIL to 25th MAY

Dear Parent / Carer,

I hope you are all well and safe. As we approach the Easter break I would like to thank you all for your support as we help the students navigate this uncertain period of time.

In order to best support pupils in preparing for any assessments after Easter I have attached the Assessment Calendar for you.

While we have worked to limit busy days, with assessments being spread out throughout the seven weeks, there will of course be some days with multiple assessments. We hope that by having this information early these can be prepared for. Any changes will be notified to students clearly with as much time as possible, this will be kept to an absolute minimum.

Students will sit core subjects at the same time, as a result of this students may not be sitting their English, Maths or Science assessments in their normal lesson slot.

Some subjects have multiple sets running in our timetable, to help identify this the assessment calendar has the set code in the period line; for example Period 1 (A). The subjects sat at this time would be A block subjects, this can be identified using the students timetable and looking at the first letter; for example 11A/Mu1 would be a Music lesson in block A. If any students have any questions about the assessments they must speak to their class teachers or Curriculum Leaders who will be able to provide any specific information. Teachers will also be providing this information in class.

Please do work with your son/daughter to ensure that they take some time away from their school work over the Easter break and spend time with family and friends as the current rules allow.

Yours sincerely,

Philip Cowling
Assistant Principal
