

**Below is a list of recommended revision for each department for GCSE and Mock examinations (January and Summer 2021).**

In addition to the materials below, we have uploaded an overview of the additional online/face to face sessions being run by all departments. Please also keep checking emails, as near February and Easter half-term holiday we will send out lists of sessions that are running for exam preparation.

**GCSE Business Studies**

Before lockdown we did try to ensure that each student had received at least the revision guide for GCSE Business so that they had a point of reference whilst they were off so most students have this resource already but below are the details just in case, plus I have put a link for an additional workbook they may find useful.

For GCSE Business we would recommend the CGP GCSE Business AQA Revision Guide - this is available through the Amazon website or via the CGP website

[https://www.amazon.co.uk/New-GCSE-Business-Revision-Guide/dp/1782946896/ref=asc\\_df\\_1782946896/?tag=bingshoppinga-21&linkCode=df0&hvadid=&hvpos=&hvnetw=o&hvrnd=&hvpon=&hvptwo=&hvqmt=e&hvdev=c&hvdcmdl=&hvlocint=&hvlocphy=&hvtargid=pla-4583863980689297&psc=1](https://www.amazon.co.uk/New-GCSE-Business-Revision-Guide/dp/1782946896/ref=asc_df_1782946896/?tag=bingshoppinga-21&linkCode=df0&hvadid=&hvpos=&hvnetw=o&hvrnd=&hvpon=&hvptwo=&hvqmt=e&hvdev=c&hvdcmdl=&hvlocint=&hvlocphy=&hvtargid=pla-4583863980689297&psc=1)

There is also a workbook that some students find useful to aid revision. This is called the GCSE Business AQA Exam Practice workbook. This is available through the Amazon website or via the CGP website

[https://www.amazon.co.uk/GCSE-Business-Exam-Practice-Workbook/dp/1782946926/ref=asc\\_df\\_1782946926/?tag=bingshoppinga-21&linkCode=df0&hvadid=&hvpos=&hvnetw=o&hvrnd=&hvpon=&hvptwo=&hvqmt=e&hvdev=c&hvdcmdl=&hvlocint=&hvlocphy=&hvtargid=pla-4583657822590633&psc=1](https://www.amazon.co.uk/GCSE-Business-Exam-Practice-Workbook/dp/1782946926/ref=asc_df_1782946926/?tag=bingshoppinga-21&linkCode=df0&hvadid=&hvpos=&hvnetw=o&hvrnd=&hvpon=&hvptwo=&hvqmt=e&hvdev=c&hvdcmdl=&hvlocint=&hvlocphy=&hvtargid=pla-4583657822590633&psc=1)

**Computer Science**

**Paper Resources**

The department has provided for all students a GCSE revision book and a 114 page book of past exam questions. Please make sure that both of these are used to revise from and test understanding.

**Electronic Resources**

The department websites are at the following two links:

<https://tinyurl.com/SCCompUnit1>

<https://tinyurl.com/SCCompUnit2>

You will need to use your son/daughter's VLE log in to get to these pages. This is their normal school log in.

The Comp Unit 1 Link has at the bottom all the past exam papers, and mark schemes. A set of revision books is also included here. Both links have all the worksheets, end of topic tests and lesson notes from the last two years. These can be downloaded as PDF's and used on phones or tablets as well as desk top computers.

**Dance**

**GCSE Dance course** - Revision guides will be given to all students who are taking GCSE Dance.

**RSL Course** – There is no revision books for RSL as students complete the coursework and practical exams in school.

## Drama

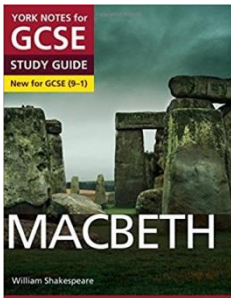

The current revision guide prepared by the exam board does not cover the six set materials in as much depth as is required; it may be useful for brief overviews if students wish to have it.

Mrs Wirth will be distributing a free revision guide to all students which she has created herself to ensure the detailed information required is within the resources students receive.

We believe students should prioritise attending these sessions.

## **Science**

All Science subjects have revision guides available – these are written and prepared by CPG and are available for both the Combined and Triple Science AQA exam board. In addition to the revision guides, workbooks are also available which we would recommend.

This is the website for the combined science revision guide and work book:

<https://www.amazon.co.uk/New-Grade-GCSE-Combined-Science/dp/1782945598>

This is the website for the triple revision guides and work books:

[https://www.amazon.co.uk/New-Grade-9-1-GCSE-Chemistry/dp/1782945571/ref=sr\\_1\\_1?keywords=cgp+triple+science+aqa+revision+guides&qid=1571126910&s=books&sr=1-1](https://www.amazon.co.uk/New-Grade-9-1-GCSE-Chemistry/dp/1782945571/ref=sr_1_1?keywords=cgp+triple+science+aqa+revision+guides&qid=1571126910&s=books&sr=1-1)

We would also recommend using this website for revision notes and past papers:

<https://www.physicsandmathstutor.com/>

We have also made a folder on the student shared area (on the school network which can be accessed through school computers) under Science called 'GCSE SCIENCE REVISION 2020-21'. There is a wealth of revision power points and past papers on there for students to use. Students can bring in memory sticks to copy the folder to take home with them. We have also copied this folder on to MS Teams for every student in every class.

Staff have prepared AQA mini mocks amongst other resources which have been shared to all students via the shared area. In addition, there are also a number of online resource (paid and unpaid) you may wish to use. However, please use the AQA revision guides and departmental resources as a first point of reference.

*SENECA Learning – An online revision tool based around the AQA syllabus. This is designed to test a student's knowledge via an online quiz. This should only be done once the student has committed the knowledge to memory.*

*Chemsheets.co.uk – This is a third party revision site, it provides questions, worked examples and quick check quizzes to check understanding.*

## **Technology**

<https://www.bbc.co.uk/bitesize/examspecs/zby2bdm>

Engineering students have been provided with printed revision resources and there are copies of everything on MS Teams.

For DT and Engineering the following website is useful
