I've got a good attendance record for school and work, also I am reliable and honest. In my spare time I like to spend it at the skate park riding my scooter but when I am not there I like to be with my friends and family. I go to school Monday to Friday and then from school I go straight to work.

☐ I have not had the opportunity to undertake any form of work experience.

Work experience lasted two weeks and I worked at two places. The first week I went to Park Animal Centre and was there for a week. I cleaned out the enclosures and fed the animals. The second week I worked at Pets At Home and stacked shelves, fed the animals and cleaned out the enclosures. I really enjoyed the first week because the people helping me were really helpful and kind to me. The second week was not as good as the people helping were not very helpful.
