## 1. Philosophy

The SHARE Attendance Policy is based on the values of the Trust, namely:

**Valuing People** – Every child attending any academy within the Trust is valued, respected and allowed to learn in a safe, well-ordered academy. Children can learn, teachers can teach. Every member of every academy values every other, regardless of background, ethnicity, religion, sexual or gender orientation. Everyone attending a SHARE academy – whether staff or student – has the chance to thrive and grow.

**Supporting Personal Best** – Every member of the SHARE community tries their utmost to be the very best that they can be, at all times, in all activities. Students and staff support one another, encourage each other to strive to reach their potential, and celebrate and share successes.

SHARE recognises that the vast majority of students/pupils attend well, behave well, co-operate and act responsibly.

Helping pupils to attend well and be punctual, gives them the best chance of achieving these aims and making good progress with their learning and social development. This policy describes how we work together with parents and other services to help pupils attend and succeed.

## 2. Aims

We are committed to encouraging pupils to attend school as much as possible by:

- Making our academies safe, friendly spaces that encourage pupils to participate and achieve.
- Developing warm, professional relationships with pupils that build their confidence.
- Encouraging pupils to share any challenges or barriers to good attendance with a trusted adult.
- Creating a strong sense of belonging and recognising every child's effort and success.
- Building strong relationships with families to support pupils.
- Promoting good attendance and punctuality through our curriculum and practices.
- Ensuring every pupil has access to the full-time education to which they are entitled.
- Providing support, to help overcome any barriers to good attendance at the earliest opportunity.
- Taking effective action early, to address any emerging patterns of absence, thereby reducing absence, including persistent and severe absence.

## 3. Legislation and guidance

This policy complies with and follows the recommendations from the Department for Education's statutory guidance: "[Working together to improve school attendance](https://www.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/114444/working-together-to-improve-school-attendance-2023.pdf)" ([applies from 19 August 2024](https://www.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/114444/working-together-to-improve-school-attendance-2023.pdf)) ([publishing.service.gov.uk](https://www.publishing.service.gov.uk)). #### **4.10 Office staff**

Office staff will:

- Take calls from parents about absence on a day-to-day basis and record it on the academy system.
- Transfer calls from parents to the pastoral teams in order to provide them with more detailed support on attendance.

#### **4.11 Parents/carers**

Parents/carers are expected to:

- Make sure their child attends every day on time, as far as reasonably possible
- Report their child's absence before the start of academy (by 8.15am) on each day of absence, and advise when they are expected to return by either phoning the academy on 01484 868777 or using the Arbor App
- Provide the academy with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the academy day
- Avoid taking holidays in academy time.

We ask parents/carers to:

- Establish good attendance habits by acting as a role model and showing the children that good attendance and punctuality is important
- Praise and reward good attendance: even small successes, e.g. getting ready quickly, even if resisting going to the academy

- Avoid taking their child out of the academy for non-urgent medical or dental appointments. If the medical appointment cannot be made at another time, parents should book the medical/dental appointment so that their son/daughter can attend academy on the day of the appointment. Evidence will always be requested to support a requested absence for an appointment
- Talk regularly with their child about academy and how they feel about it. Children are more likely to want to attend and learn if they feel supported and their anxieties are listened to
- Know routines of the academy day to avoid issues, e.g. ensuring children have their PE kits on the right days
- Establish a good bedtime routine, so that their child can sleep well, get enough sleep and make mornings less of a struggle
- Discuss any concerns with the Student Manager/Attendance Officer to address any issues regarding attendance.
- Follow the absence communication procedures to inform academy of any absences. This includes communicating with the academy before 8.15am on the first day of absence and every subsequent day of absence. Discuss with the attendance officer any planned absences, at least 4 weeks in advance of the absence.

#### **4.12 Pupils**

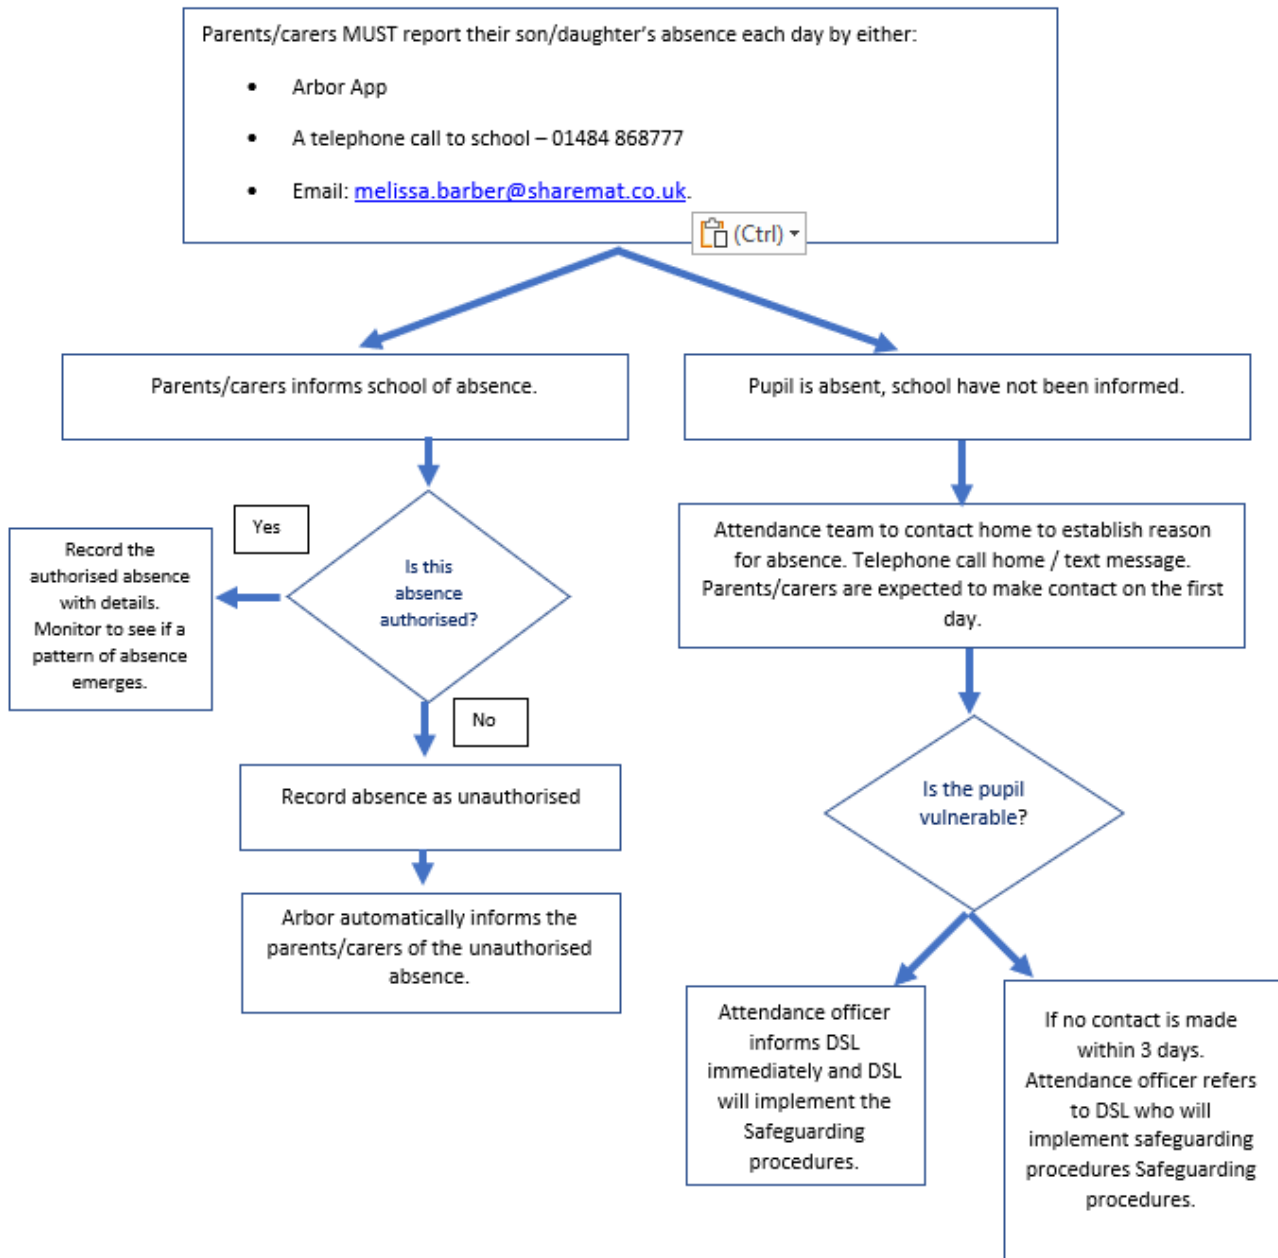

Pupils are expected to:

- Attend the academy every day on time
- Not leave the academy without permission
- Follow correct procedures for known absences
- Respect themselves and others
- Encourage friendship and a sense of belonging
- Maintain a positive outlook and encourage others to do the same
- Inform a trusted adult if they feel that they are being bullied or feel unhappy in the academy
- Attend every lesson/form time on time.

## **5. Recording attendance**

### **5.1 Summary of day-to-day attendance procedures**

The following is a summary of the academy's procedures if a student is absent.

## 5.2 Attendance register

We will keep an attendance register and place all pupils onto this register.

We will take our attendance register at the start of the first session of each academy day and once during the second session. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances.

Any amendment to the attendance register will include:

- The original entry

- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment.

*Please see appendix 1 for the DfE attendance codes.*

We will also record:

- Whether the absence is authorised or not
- The nature of the activity if a pupil is attending an approved educational activity
- The nature of circumstances where a pupil is unable to attend due to exceptional circumstances.

5.21 We will keep every entry on the attendance register for 3 years after the date on which the entry was made.

5.22 Pupils must arrive in academy by 08.30 on each academy day.

5.23 The register for the first session will be taken at 08.35 and will be kept open until 09.30. The register for the second session will be taken at 13.00. and will be kept open until 13.30.

### **5.3 Unplanned absence**

The pupil's parent/carer must notify the academy of the reason for the absence every day of an unplanned absence by 8.15am or as soon as practically possible by either:

- Calling the academy on 01484 868777
- Using the Arbor App.

We will mark absence due to illness as authorised unless the academy has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the academy may ask the pupil's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the academy is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this.

### **5.4 Planned absence**

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the academy in advance of the appointment.

All requests for leave of absence should be applied for in advance in writing with the supporting medical evidence by either writing to or emailing the attendance officer/manager at [melissa.barber@sharemat.co.uk](mailto:melissa.barber@sharemat.co.uk)

However, we encourage parents/carers to make medical and dental appointments out of academy hours where possible. Where this is not possible, the pupil should be out of academy for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 4 to find out which term-time absences the academy can authorise.

## **5.5 Following up unexplained absence**

Where any pupil we expect to attend academy does not attend, or stops attending without reason, the academy will:

- Call the pupil's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If the academy cannot reach any of the pupil's emergency contacts, the academy may:
  - Contact the parent/carer at work
  - Phone other contacts available
  - Make a home visit
  - Contact the police
  - Identify whether the absence is approved or not
  - Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session
  - Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the academy will consider involving an education welfare officer.

## **5.6 Reporting to parents/carers**

Parents can access their child's attendance via the Arbor App. The academy will regularly inform parents about their child's attendance and absence levels via each report.

# **6. Punctuality**

## **6.1 Lateness and punctuality**

The register for the first session will be taken at 08.35 and will be kept open until 09.30. The register for the second session will be taken at 13.00 and will be kept open until 13.20.

## **6.2 Pupils must arrive in academy by 08.30 on each academy day**

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code.
- After the register has closed will be marked as absent, using the appropriate code.

The academy will monitor punctuality and address any concerns. If a student arrives at the academy after the registers have closed, this will be an unauthorised absence.

## **6.3 Late to academy**

The following diagram summarises how the academy will respond if a student is late to academy.

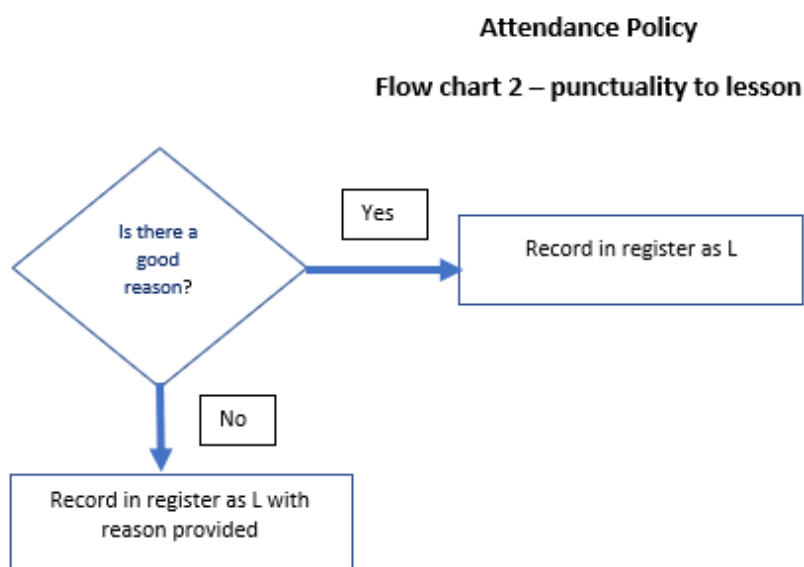

## Attendance Policy

### Flow chart 2 – punctuality

## 6.4 Late to lesson

All students must go directly to lessons. The following explains the different roles in ensuring good time management.

As soon as a child receives 3 lates in a week, they will be placed in an automatic Thursday after school detention the following week.

## 7. Leave of absence requests

### 7.1 Approval for term-time absence

The headteacher will only grant a leave of absence to a pupil during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

We define 'exceptional circumstances' as "Exceptional circumstances are one off events which are unavoidable, examples may include the death of a close relative, attendance at a funeral, respite care of a looked after child, a housing crisis which prevents attendance."

The academy considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

Any request should be submitted (in writing) as soon as it is anticipated and, where possible, at least 4 weeks before the absence. The headteacher may require evidence to support any request for leave of absence.

### 7.2 Valid reasons for authorised absence include:

- Illness and medical/dental appointments (see section 1.10 for more detail)
- Religious observance.

SHARE MAT believes in respecting, promoting and celebrating the cultural and religious diversity of its pupils, parent/carers and the community. Given the rich diversity of our academy, parents/carers will want to celebrate some of the major religious festivals with their children at home. Parents/carers

will therefore be seeking permission from academies to authorise their children's absence during these religious festivals.

Whilst academies recognise the importance faith and religious observance play in the lives of many of its pupils and want to respect the wishes of parent/carers to celebrate religious festivals with their children, it is important to strike the right balance between authorising such absence and the effect on pupil's progress. The Pupil Registration Regulations 2006 Section 2 states that absence for religious observance should be "treated as authorised [absence] ... on a day exclusively set apart for religious observance by the religious body which the parent/carer belongs". Thus, if the parent/carer's religious body marks the day as a religious festival, the academy must authorise the absence. Leave for pupils for religious observance should only be agreed if the dates fall outside of normal holiday periods. In most cases up to two days throughout an academy year for religious observance should be sufficient. Where a religious festival falls during an academy holiday or at the weekend, authorised absence will not be granted. (Please note, pilgrimage or performing Umrah are not 'religious observance' days and are not considered reasonable cause for a child to miss school).

Requests for preparation for religious festivals should be regarded as unauthorised absence. Guidance and expectations from the academy, will be sent by letter to parents/carers just before the religious festival. If parents/carers are going to seek permission for their child's absence for religious observance, they need to make the academy aware. Email at [melissa.barber@sharemat.co.uk](mailto:melissa.barber@sharemat.co.uk) or call the attendance office on 01484 868777.

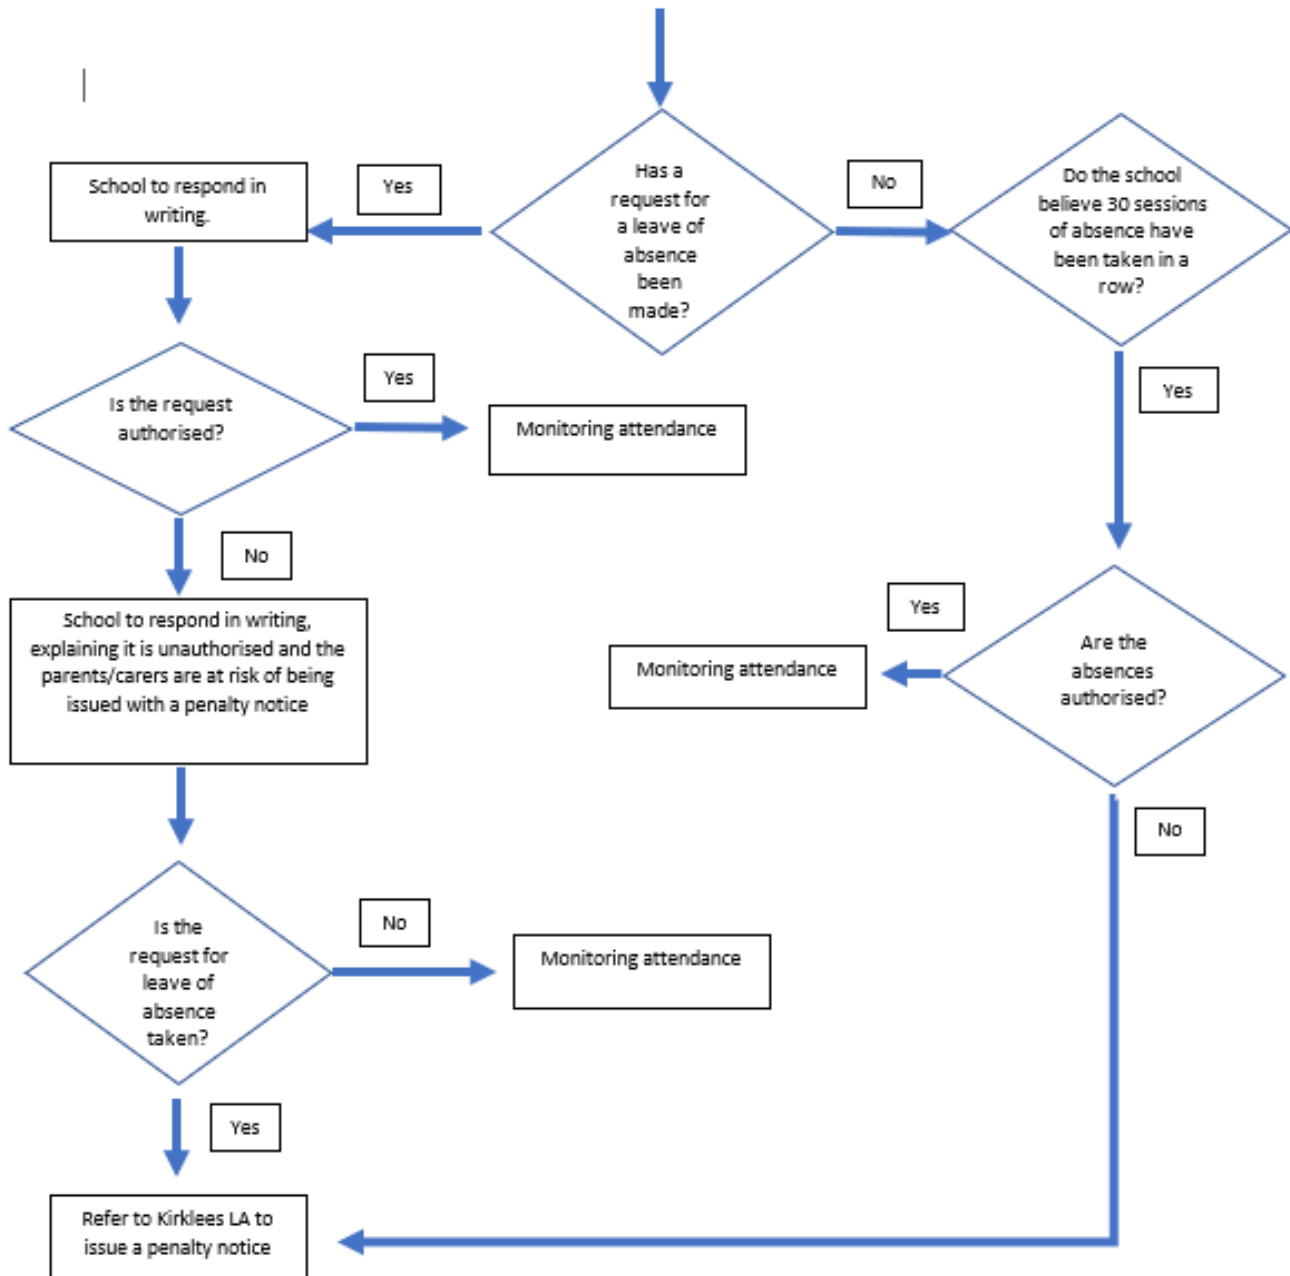

- Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the academy, but it is not known whether the pupil is attending educational provision.

### **7.3 Summary of request for leave of absence**

The following summarises the process for a request for leave of absence. All requests for a leave of absence must be completed by using this form [Shelley College, A SHARE Academy - Attendance](#)

**School will promote to all stakeholders that:**

- All requests for leave of absence should be provided to the school at least 4 weeks before the absence is due.
- School can only authorise requests for absence in exceptional circumstances. These do NOT include: holidays, birthdays etc
- Any unauthorised leave of absence (requested or not) will result in the school referring to Kirklees Local Authority to issue a penalty notice

## 7.4 Legal sanctions

Parent/carers who take their children out of school during the academy term without the headteacher's authorisation or beyond an agreed date risk being issued a penalty notice or taken to court.

As a guide, any unauthorised absence in excess of 4 consecutive days, parents/carers are likely to receive a penalty notice. The academy will notify parents/carers in advance if taking this course of

action and then parent/carers/carers will hear in due course from the relevant local authority once they have processed the penalty notice.

The penalty notice is £60, for each parent/carer of each child, if paid within 21 days, and £120 if paid after this date but within 28 days. Non-payment of a penalty notice will normally trigger a prosecution (under the provisions of section 444 of the Education Act 1996 or under the provisions of S103 (3) of the Education and Inspections Act 2006). The prosecution can only be for the original offence and NOT for the non-payment of the penalty notice. Failure to pay the penalty notice could result in the local authority commencing legal proceedings against you for the offence of not ensuring your child's regular academy attendance. If found guilty, you may be fined up to £1,000 and you will receive a criminal record.

Where parent/carers continue to take unauthorised leave of absences in term time, despite having previously been issued with a penalty notice, the local authority will consider a prosecution under Section 444 of the Education Act 1996.

If the local authority decides to prosecute parent/carers based on the evidence that the academy provides then parent/carers/carers would be expected to attend court and may face a fine of up to a maximum of £1000 and a criminal record.

**In addition:**

- You risk losing your child's place at the academy if they are absent for 20 days or more.
- You risk your child's future through lost learning and lower achievement.
- You risk your child feeling left behind and left out.

If a pupil has been suspended or excluded, that pupil may not be in a public place during the period of suspension/exclusion without just cause (such as attending a medical appointment). If that pupil is seen in a public place, a penalty notice is issued to each parent of each child. This is for £60 if it is paid within the first 21 days, increasing to £120 if paid after 21 days but within 28 days.

## **8. Attendance Prosecution**

If a child of compulsory academy age fails to attend regularly at an academy at which they are registered, or at a place where alternative provision is provided for them, their parents may be guilty of an offence and can be prosecuted by the local authority.

Prosecution in the Magistrates Court is the last resort where all other voluntary and formal support or legal intervention has failed or where support has been deemed inappropriate in the circumstances of the individual case. Where it is decided to pursue prosecution, only local authorities can prosecute parents and they must fund all associated costs, including in the preparation of court documentation.

- Parents who fail to comply with a school attendance order issued by the local authority to require a parent to get their child registered at a named academy (under section 443 of the Education Act 1996). This may result in a fine of up to level 3 (£1,000) and a criminal record.
- Parents who fail to secure their child's regular attendance at a school, for which there are 2 separate offences: section 444(1) where a parent fails to secure the child's regular attendance; and section 444(1A) where a parent knows that the child is failing to attend academy regularly and fails to ensure the child does so. The section 444(1) offence may result in a fine of up to level 3 (£1,000) and a criminal record.
- Parents who fail to secure the regular attendance of their child at a place where the local authority or governing body has arranged alternative provision (under sections 444 and 444ZA). This may result in a fine of up to level 3 (£1,000) and a criminal record.
- Parents who persistently fail to comply with directions under an Education Supervision Order (under Schedule 3 to the Children Act 1989) or breach a Parenting Order or directions under the

order (under section 375 of the Sentencing Act 2020). These may result in a fine of up to level 3 (£1,000) and a criminal record.

## **8.1 Children absent from education**

All children, regardless of their circumstance, are entitled to a full-time education which is suitable to their age, ability, aptitude and any special educational needs they may have. Children missing education (CME) are at significant risk of underachieving, being victims of abuse, and becoming NEET (not in education, employment or training) later on in life. Share MAT Academies have robust procedures and policies in place to enable them to meet their duty in relation to these children.

When making "reasonable enquiry, to ascertain where the student is" as referred to in Regulation 8(1)(f)(iii) and (h)(iii) of the Education (Student Registration) Regulation 2006 it is reasonable to expect that the appropriate team in the local authority will complete and record the following actions.

- Check local databases.
- Follow local information sharing arrangements and where possible make enquires via other local databases e.g. those of housing providers, health services, police, Youth Justice Services, social care services and the Inland Revenue.
- Check with agencies known to be involved with the family.
- Check with local authority from which the child moved originally (if known).
- Where appropriate check with the Youth Offending Team responsible for the child's supervision or with custodial institution from which a child may have moved (see below).
- Home visits made by appropriate team, following local guidance concerning risk assessment and if appropriate make enquires with neighbours.

Full details of the enquiries that have been made to locate the child will be detailed to the Local Authority. This procedure will include any student who is missing education due to an unauthorised leave of absence.

Share MAT Academies will also inform the Local Authority of the removal from roll of any student leaving the area who has given a forwarding address.

If no further information is received from the Local Authority or any other Agency the child will be removed from our roll in accordance with the Department of Education advice on School attendance.

## **9. Strategies for promoting attendance**

Everyone has a responsibility for the promotion of the benefits of good attendance and the removal of any barriers to ensure good attendance. These can be summarised as follows:

### **9.1 Senior leader with responsibility for attendance**

- Must ensure the pastoral team is promoting good attendance within their year groups or allocated pupil groups and this is having an impact.
- Create termly attendance items for the newsletter to promote good attendance.
- Create termly whole academy attendance initiatives.
- Link whole academy rewards to attendance.
- Raise awareness of the importance of attendance with all stakeholders.
- Ensure all students know their attendance on a weekly basis.
- Weekly add attendance data to the notices to promote good attendance.
- Provide staff weekly with up to date attendance data to support their role in promoting good attendance.

- Ensure the academy's attendance policy is well promoted and all stakeholders understand it.
- Ensure all stakeholders are aware that 'leave of absences' cannot be authorised and will result in a referral to Kirklees LA to issue a fine.

## 9.2 Attendance Team

Celebrate good attendance through either certificates or emails:

- Weekly 100% attendance (automatically through Arbor).
- Improved attendance on a half termly basis.

## 9.3 Pastoral Team

- Celebrate good attendance in assembly weekly.
- Celebrate with personalised letters or certificates:
  - Those who have excellent attendance
  - Those whose attendance is improving.
- Ensure attendance is high profile within their teams. Providing form tutors with the key data, so they can celebrate successes with individuals.
- Have a noticeboard with up to date attendance data that also highlights the benefits of good attendance.

## 9.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% (1 day per fortnight) or more of being at the academy, and severe absence is where a pupil misses 50% (5 days per fortnight) or more of being at the academy.

The academy will:

- **Expect:** Aspire to high standards of attendance from all pupils and parents and build a culture where all can, and want to, be in the academy and ready to learn by prioritising attendance improvement across the academy.
- **Monitor:** Rigorously use attendance data to identify patterns of poor attendance (at individual and cohort level) as soon as possible so all parties can work together to resolve them before they become entrenched.
- **Listen and understand:** When a pattern is spotted, discuss with pupils and parents to listen to understand barriers to attendance and agree how all partners can work together to resolve them.
- **Facilitate support:** Remove barriers in the academy and help pupils and parents to access the support they need to overcome the barriers outside of the academy. This might include an early help or whole family plan where absence is a symptom of wider issues.
- **Formalise support:** Where absence persists and voluntary support is not working or not being engaged with, partners should work together to explain the consequences clearly and ensure support is also in place to enable families to respond. Depending on the circumstances this may include formalising support through a parenting contract or education supervision order.
- **Enforce:** Where all other avenues have been exhausted and support is not working or not being engaged with, enforce attendance through statutory intervention or prosecution to protect the pupil's right to an education.

- Please see Appendix 3 for the 'Attendance Support Program 2023/24' which explains the actions the academy will take to enforce good attendance. It follows Kirklees LA's procedures and processes (which can be found in Appendix 2):

## **10. Attendance monitoring and analysis**

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum annually. At every review, the policy will be approved by the directors of the trust.

### **10.1 Monitoring attendance**

The academy will:

- Monitor attendance and absence data half-termly, termly and yearly across the academy and at an individual pupil level.
- Identify whether or not there are particular groups of children whose absences may be a cause for concern.

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's academy absence national statistics releases. The underlying academy-level absence data is published alongside the national statistics. The academy will compare attendance data to the national and regional average, and share this with the directors.

#### **The designated senior leader responsible for attendance will:**

- Provide headline figures on attendance weekly. Communicating these to staff, e.g. via a daily bulletin.
- Analyse the data monthly to identify trends and to include sub-group analysis.
- Quality assure the analysis of the attendance officer and assistant head of year.
- Provide trust leaders and directors with attendance data which allows them to understand attendance in the academy.
- Identify all students who are classified as severe absence and ensure all appropriate plans are in place. Working closely with the DSL to ensure the safety of those students.

#### **Attendance Officer and Assistant Head of Year, will meet fortnightly and will:**

- Analyse year group data to identify students who require an 'attendance support plan'.
- Provide form tutors with year group attendance data to support their role in promoting attendance.
- Identify all students who are classified as persistent absence and ensure all appropriate plans are in place.

#### **The Head of Year / Pastoral Leader will:**

- Provide students with useful attendance data to promote good attendance.

### **10.2 Analysing attendance**

The academy will:

- Analyse attendance and absence data regularly, to identify pupils or cohorts that need additional support with their attendance and use this analysis to provide targeted support to these pupils and their families.
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns.

### **10.3 Using data to improve attendance**

The academy will:

- Provide regular attendance reports to form tutors, and other academy leaders, to facilitate discussions with pupils and families.
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies.

### **11. Sixth Form attendance**

- The Sixth Form attendance procedures are the same as main academy except for:
- Our minimum expectation for attendance is 96%.
- For each absence your son/daughter's form tutor will complete a return to academy interview (RTSI) on their return to academy. This is to ensure that they are well enough to be back in the academy and that we are aware of anything that can help us to support your attendance in the academy.
- Persistent absence will be followed up by your son/daughter's head of year to support an appropriate intervention plan to improve attendance.
- General non-attendance:
- Each morning the sixth form team will text home for those students that are absent without prior approval OR we have not been notified of absence
- Any student that is below 96% will be monitored by the sixth form team
- Attendance meetings will be booked for those that are of concern.

#### **11.1 Role of the Sixth Form**

The Sixth Form will:

- Analyse sixth form attendance
- Regularly and frequently monitor students whose attendance is less than 95%
- Inform designated safeguarding lead and heads of year of patterns of attendance, and possible influences
- Provide the first stage of liaison with parents over attendance and punctuality by phone or text
- Follow up incidents of truancy. Informing the DSL, attendance officer, head of year and form tutor as necessary
- Address poor academy attendance by using attendance panels
- Monitor implementation of attendance procedures within each year group
- Produce data to be displayed in academy, e.g. parents' evenings, form rooms, student social areas, etc
- Produce a brief termly report on patterns of attendance for each head of year.
